Alice,

Please see the attached cover letters for the following submittals:

1. Draft Health and Safety Plan
2. Draft Uniform Federal Policy - Quality Assurance Project Plan and Field Sampling Plan
3. Draft Geophysical, Bathymetric, Shoreline, and Debris Survey Work Plan

The documents have been posted on a Project Enhanced File Transfer (ETF) Site hosted by Oxy for which you will receive separate communication for this first use, as I communicated yesterday. Please don't hesitate to contact me if you have any difficulty accessing the files.

Thanks.

Juan
